Dream on, dude

I've never written to a magazine before but when I saw the girl-on-girl photos of Lea and Sophie, I creamed my pants after only three pages. What a couple of hotties they are. They're like models with better assets, and it looks like they really are into each other. I really dig how they sixty-nine each other, I can see both of their pussies. I can just see my finger probing inside their pussies while my tongue licks them. Yummy. Their poses are so hot and inviting that I can see myself kneeling in front of them with my big rocket aimed at their pink targets.

But I'm not done with them... then I'd grab their ankles and hold their legs back and pound it inside each one of them. Then I'd push their ankles down next to their ears and then pull them wide as I thrust and pump them all day long. Then I would cum all over their bald pussies. Damn, now I have to get a tissue and clean off the page.

– Steve, Ft. Worth

Having fun with boobs

I love telling this to people, so I'm writing to you. My wife has the most perfectly beautiful breasts in the whole world. That's why I married her. They are big, but not too big, with perfectly round areolas that are three shades darker than her skin color. In the very center are her half inch long nipples that fit perfectly into my mouth.

With that said, let me tell you how I make

love to them. Her nipples jump to attention as I slowly suck on them. My hands massage and cup her breasts and she'll begin to moan and purr. I work my way down to her tummy, but that is just a tease.

I head back up to those luscious mounds and bury my face in them making soft motorboat sounds with my mouth and tongue. It tickles her and we laugh. Then I'll get on my knees and straddle her and she'll push her breasts together as my cock fucks her between them. She'll reach under me and play with my balls as her mouth sucks the tip of my cock. She'll work me until I cum and spurt on her breasts. I use her nipples as a bull's eye target – and score! What more fun could any guy have?

– Colin V., Tucson

The same, yet different?

When your magazine showed up at my house last week, I just had to write to you. My husband brought your magazine home. Actually, he brought home less than half of it. He showed me what he had and insisted that the cover model, Brandi, was his old college sweetheart except that she had short dark hair and a smaller chest back then. He said it was more than twenty years ago that they split. They were in their early twenties and she moved to Los Angeles while he

40+: I was just told that I'd have to wait for about twenty minutes as

Brandi finishes up her photos... Okay, now, here she comes...

Brandi: Hi there. Sorry to keep you waiting. Can I refresh your drink?

40+: That's so sweet of you to ask, but no, I'm fine. Are you always this pleasant or is it just me?

stayed here in St. Louis.

He said a co-worker had the issue and my husband ripped out the pages of her so he could look at them more closely. He said he looked at the photos for a while and could not determine if it was her 100%. We talked about it at dinner that night and I got more curious, especially when he said she was quite conservative and didn't think she could ever pose nude, let alone have pictures of her having sex in a men's magazine or videos.

I'm writing to ask if the other letter I've enclosed can be forwarded to her? You may read it since it's not sealed, if you wish. If not, then could our name and phone number be forwarded to her? My husband said you're not allowed to forward mail. We'll just hope that she'll get in touch with us. While I'm not that keen on bringing her back into his or our life, I am also curious if it could be her after hearing about her for twenty years.

Thanking you in advance for your assistance in this matter.

— Fannie, St. Louis

Rock on!

As you get older, one of the fun things is to reminisce about the past. Like this: I was at a Police concert at The Forum in LA in 1985 when I got the hand job of my life. Now, more than thirty years later, it's all coming back to me and I need to write it down before I totally forget it.

I'm in seat 14A and my date in 14B and her best friend next to her, and we're all on the second level. Halfway through the show and plenty of drinks later (we snuck them in), they switched their seats with me and now I'm in the middle. As the Police start to play "Every Little Thing She Does" I feel my zipper go down and a hand searching inside for my cock. It was not hard, but in that minute of groping, it stiffened right up.

I look down and it was my date's hand. She pulls my cock out and begins stroking it right there as we're standing and the crowd's screaming and rocking out. Then, from the other side, another hand reaches in and pulls my balls out and begins to play with them. The two girls are now stroking and playing with me and I don't even remember hearing the song. They carefully stroke and squeeze me, as I look around being sure no one is watching us instead of the show. My date feels my ready to cum and puts her drink cup under my cock to catch my cum. I do, and my knees buckle, so I must sit. It's magic!

— Ron, Torrance

Playing the house...

Hey, I hope you guys will like this. I know your magazine and have written once before, but this is a good one that you just have to print in your magazine. My name is Tony, and I was to meet two of my male friends at the Bellagio in Las Vegas. In case you don't know, this place is beautiful, humongous. We were going to play at the casino for a couple days over the weekend. I checked into my room and waited for their call to hit the tables. That call came at about nine pm and we decided to meet at the \$20 poker table.

Brandi: Actually, I've become sweeter as I've become older. In my twenties I was a terror. My boyfriends never lasted for more than a couple months.

40+: Wow, really?

Brandi: I was probably around 35 or so when I began to mellow. I think moving to Los Angeles had a lot to do with it.

40+: Did moving to L.A. also get you into the adult business?

Brandi: Yeah, it did, but it took a while. I wasn't looking for it.

40+: But it found you, or did you find it?

Brandi: It was a

Morris was already there and then Lucas showed up with this bangin' babe on his arm. He introduced her as Jellie and we all sat down at the table. After a couple hours of mostly losing hands we abandoned the table and went to the bar for some drinks. Jellie excused herself for the powder room and we started jiving Lucas about bringing a chick to our boys' night, but he told us that she was newly divorced and full of sexual frustration. She worked with him at the agency and needed to get away from the grind so he suggested Vegas for the weekend. Agreed.

Now don't get me wrong, she's a fine piece of ass, but she's going to upset our dynamic. Fifteen minutes later, Jellie comes back and has another hot chick with her. Settling down at our table, she introduces her as Bobbie and that they work at the same firm. Bobbie is a blonde girl about 5' 7" featuring a very busty figure with a very full and tight ass. So we drank and talked until about two a.m. The later the night got, the hotter the conversation got and we all decided to go up to Lucas' room to continue the party and so found our way to the elevators.

We made small talk for a while and then eventually Jellie and Bobbie started getting friendlier with us and we were right on it. Lucas started undressing Jellie and Bobbie joined him as Morris and I watched. From that moment on – the heat began. The two ladies were about to be totally consumed by us three well-hung (my opinion) studs.

Jellie told Lucas that she wanted to suck his cock while we watched. He pulled it out for her to wrap her lips around. She looked at his rock hard stick and licked her lips, knowing that we were waiting our turn. She then greedily sucked the head into her mouth and slurped her way down his long cock. He moaned with pleasure and mentioned he could not believe how good she sucked cock. She kept on sucking him and

he warned her that if she did not stop, he would be shooting soon. In the meantime, Bobbie had settled herself between Morris and me and we pulled out our cocks as she stroked and licked them. Morris and I high-fived and settled back on the sofa to enjoy the sights and feelings. Bobbie gave great head and seeing her blonde hair bobbing up and down on our shafts made it even hotter.

The two ladies switched and Bobbie went to Lucas and Jellie came over to us and the bjs continued for the next half hour. We all came with Jellie taking us both in her mouth and Lucas jizzed on Bobbie's hair. Oooops! Not where a gussied up babe want to feel it.

Bobbie ran off to the bathroom to wash it off and asked Jellie to help her. I passed out and don't remember anything else except that I woke up on the sofa the next day with a splitting headache and my cock hanging out of my zipper. The girls and Morris were gone and Lucas was still asleep. I slipped out and headed back to my room and slept the day away.

The next day, Morris called about nine p.m. and said he was with the two girls in his room and they wanted to get fucked now since we all passed out last night. Well, at 9:01, I was knocking on Morris's door.

– Jake M., Denver

little bit of both. I went to a party in the Hollywood Hills and met this woman who said she headed up a movie studio. Turns out it was an adult studio. Well, we hit it off and I went to visit the next week.

40+: Tell me more.

Brandi: I didn't jump right into it then and there, but within a couple weeks I was naked on set, by myself. I tried a couple solo scenes and liked it. The rest is history.

KATI & JENNER

I emailed the magazine because I overheard some guys at the mall calling me sexy. I had never considered myself like that, but I kinda liked it and discussed taking some photos with my husband. He agreed and that was okay with me too, and we did this really hot photo and video shoot. Hope you like it. I sure did.

I didn't want to go to the photo studio for my shoot. I was just too tired after partying all night, but if you could do the shoot here at my house, I would be ready. When they said I'd be fucking Ron, I was wet and ready before they even got here.

say no to the boss? no way!

my new boss is a real ball-buster, and she knows it. It all started like this at the office so I'm writing to get this little incident off my chest:

So, I'm at home watching football when the phone rings. "Adam, it's Paula. I know it's Saturday, but if you have the Harris file, would you please bring it to my house? Here's my address..." And so that's how it started that morning.

Paula had been with the company for only six months. I thought she was a real ass-kicker but hadn't quite worked her out yet. She was always wearing a suit jacket and skirt with a white blouse, which hid a pretty impressive rack. I could tell she tried to look all business and respectable but there was something simmering underneath that prim exterior.

On Friday there was a conversation I overheard when I was in the company lunchroom. Paula was on the phone in the adjoining room. "Just because my ex-husband and I can't stand to live together doesn't mean we don't love to fuck. If he hadn't been so good in bed, I would have divorced him long ago."

I was shocked at what I was hearing because around the office she's known as a wicked witch. And now here I am, walking

up to her front door on a Saturday morning with the Harris file hoping she doesn't eat me alive.

The property looked like a construction site with rolled sod and building materials all over the front yard. I ring the doorbell and when Paula opened the front door, I was shocked by the change in her appearance. The usual somber professional business suit had been replaced by a man's oversize dress shirt tied off at the front and a pair of raggedly cut off denim jeans that barely covered her butt. Pretty sexy, I thought, for a forty year-old.

She invites me in and as she walked away in front of me, I couldn't help but notice the gorgeous ass projecting from the back of

her shorts. As I followed her into the house, taking in her shapely butt, she pointed to her canvas covered sofa and told me to drop the file there and asked if I had a min-

ture. I took a deep smelling breath trying to catch a hint of her scent. I caught a faint whiff of her arousal and it started mine.

But instead of getting completely off, she slides down my body and I felt her hand move to unbuckle my belt. I could only lay there paralyzed at what just happened.

ute to help her. She led me into what must have been the master bedroom, explaining that she was painting a high corner and only had a stepstool to climb on. She pulled the stool into position and climbed up. She asked me to steady her, so I put my hands on her hips and held tight. She loaded the roller with paint and reached up to apply it. I looked down at her feet realizing that if I looked straight ahead, my face would be at her crotch level.

But I couldn't help myself and looking up I could see up the leg of her cut off denims. I noticed her white lace panties and a few wispy hairs escaping the confines of her panty. I saw her labia lips pressed against her panties and thought I might reach out a hand and touch there. But I also sensed she did this on purpose because she knew where my face would end up.

After several minutes of painting I looked more carefully at her panty and thought that I saw it beginning to darken with mois-

Suddenly, she leaned too far backwards and lost her balance on the stool. Even my holding her hips could not prevent her tumble. She seemed to twist or turn and was plummeting down towards me. I moved my hands quickly to try to catch her and my left hand managed to land firmly on her right breast and my right hand ended up somewhere behind her. We fell backwards with her on top of me and onto the painter's canvas covered bed in the middle of the room.

We laid there trying to recover from the shock and suddenly I realized where my left hand was. And then my right. I asked if she was okay and removed my hand from her breast. I could not get the other hand out from under her. She told me she was fine and started to slowly get off me.

But instead of getting completely off, she slides down my body and I felt her hand move to unbuckle my belt. I could only lay there paralyzed at what just happened. I felt my cock getting harder as she pulled my pants open. The fingers of both her hands

reached over and drew down my briefs. Her head came down on me as she licked my cock from the base along the underside, up and over the crown of my top knot. She kept licking and sucking it, taking it into her mouth and swirling her tongue around it. She licked it like an ice cream cone and sensed I was ready to cum – too quickly. She then sits up at the edge of the bed

and faster – and why I hadn't popped already, I don't know. She was pounding herself hard into me. Her fingers rubbed faster and faster against her clit as she threw her head back and began to groan. I couldn't hold it in any longer and I finished; my cum a hot geyser in her pussy, and she finished soon after, still riding me hard. A couple

and struggled out of her shorts and pantie and crawled up onto the bed. She straddled my legs and began to crawl on her hands and knees along them. Her eyes were zeroed in on my rock hard cock again. She grasped the base of my cock and pulled it back to point up at her juicy wet hole. She paused, and then slowly, delightfully, enticingly, lowered herself down along the length of my shaft. She paused and allowed her inner muscles to hold and grasp my now fully-buried cock.

I tried to get up off the bed but she pushes me back onto it with her hands and another shake of her head. She begins to ride me now. Gliding up and down my cock and suddenly she grabs my hands and brings them up to her boobs and pushes them against her. I sense her directions and I obey; my thumb and forefinger rolling her pouting nipples between them. Meanwhile she had reached down with her own right hand to find her clit. When she did, she circled it with her first and second fingers. She rode me harder

last grinds and flicks to her clit and she collapses on top of my chest. I can feel her nipples pushing hard against me. She climbs off me and grabs her pantie to put it back on. Not knowing what to say after an hour of hot fucking, I blurt out "That was great." and motion her to come back to the bed as I'm getting my cock ready for another round.

"Not now," she says, "There's painting to finish and I have to work on the Harris case later. We'll find some time to spend together, but for now you have to go." she told me. "Get dressed and leave. I'll call you or see you at the office. Okay?"

Paula was a lady you don't say 'no' to so I got my stuff and left. On the drive home I thought I may have opened up a can of worms, but hey, she wanted it too. I guess I'd find out on Monday. As I was pulling into my driveway, my phone went off with the text message ring tone. I look at it and it's Paula. I open the message and it read 'Come back, right now!'

Not knowing what to say after an hour of hot fucking, I blurt out "That was great." and motion her to come back to the bed as I'm getting my cock ready for another round.
